

Dear Parents/Caregivers,

What a great start we have had to 2023 already! We are so pleased to have had a normal start to the year this year and see all of our students and families on site on day one.

I would like to extend some warm Salisbury Park Primary welcomes to Y Nhi So (Year 5/6), Julia Brewer (Year 5/6 & AUSLAN), Jess Neilson (Jacaranda 4), Anthony Dimech (Jacaranda) and Kendall Vivian (Science). We welcome back Liz Hill (Year 1/2) who has returned from maternity leave. We welcome all of our new Reception students and all other new students across the school and their families and caregivers.

Our Pupil Free Day has been scheduled for Monday the 20th of February (Week 4) for our staff to look at current best practice in reading. In a significant policy change from previous years, Running Records are no longer a compulsory assessment for state government schools. This decision was taken because the collection of Running Records in Reception and Year 1 is incompatible with the Department for Education focus on systematic synthetic phonics as a foundational aspect of the 'Big 6' of reading. The SA Department for Education, has invested in a reading improvement agenda based on contemporary 'Science of Reading' research. Running Records is aligned to a whole language approach to reading rather than the 'Science of Reading' research. As a result, it no longer complements the Department's position on best reading practice and our teachers have commenced formal professional learning related to the 'Science of Reading'. At Salisbury Park Primary School, Running Records Reading Assessments have been replaced by DIBELS Oral Reading Fluency assessment. DIBELS® (Dynamic Indicators of Basic Early Literacy Skills) is a set of procedures and measures for assessing the acquisition of literacy skills. They are designed to be short (one minute) fluency measures that can be used to regularly detect risk and monitor the development of early literacy and early reading skills in Reception through to Year 8. We will keep you informed each step of the way as we continue our journey into this new focus.

Assemblies are back on and we start them off this Friday with our Year 5/6 Redgum 2 class and we welcome families to come.

Take care

Shane

Please take the time to read this important information regarding parking around schools.

Parking Around Schools

Due to the chaotic nature of traffic around schools at peak times, streets can be an extremely dangerous place for children.

Young children have not yet fully developed their cognitive abilities and therefore their perception, judgement and awareness of potentially dangerous situations is not adequately developed to enable them to cope with the road traffic.

Children are not easily visible and often act impulsively, which means if you are driving around a school take special care, to ensure we keep our children safe. Remember that children copy grown-ups - encourage good road sense by watching them closely and leading by example.

5 Helpful Tips for School Zones

As parents and caregivers we have a great responsibility to ensure children stay safe in school zones. We also play a key role in educating children about road safety. Here are 5 helpful tips for safety in school zones:

1. Allow enough time to take your child to the school gate safely and without rushing.
2. Always observe parking signs and speed limits in and around school zones. They are designed to keep your child safe.
3. Talk about signs and traffic lights with your child. Identify and discuss places where it is safe to get out of the car and cross the road.
4. Teach your child how to cross the road using the 'stop, look and listen' process - stop at the kerb, look and listen for traffic and then decide whether it is safe to cross.
5. Park a few streets away and walk your child to school. This is also good exercise and helps teach your child road safety rules.

Behaviours to Avoid

- Speeding
- Double parking
- Parking too close to an intersection
- Parking across driveways
- Parking too close to pedestrian crossings

Common Traffic Signs

The City of Salisbury has implemented a comprehensive traffic management and parking scheme in the streets surrounding your child's school to help make it a safe place.

Going against the road rules places not only your child's life at risk, but those of others. Tragedies can occur if care is not taken to abide by these rules. Below are some explanations of signs that are placed around schools to ensure your child stays safe.

No Parking Signs

Drop off and pick up only. You must not queue or wait here. The driver must remain with the vehicle.

No Parking Signs

The same rules apply as the previous 'No Parking' sign, however, the rules only apply during the times and days shown on the sign.

No Stopping Signs

You must not stop in a 'No Stopping' area at anytime. Drop off and pick up is not allowed even for the briefest

Yellow Kerb Lines

An unbroken yellow kerb line is a no stopping line and therefore the same rules apply as for a 'No Stopping' sign.

Bus Zone Signs

You must not stop within a bus zone at any time. This zone is only available to public buses.

Obstruct Driveways

A vehicle must not obstruct an entrance way or crossing point to a property, even if it is your own.

Reserves, Footpaths & Verges

It is an offence to drive or park on a reserve, footpath or dividing strip and could cause an accident, injure a pedestrian or damage property.

Football in Schools

From Wednesday 15th February (Week 3) to Wednesday 5th April (Week 10), Football in Schools will be coming out to run an after school soccer program from 3-4pm. If you would like to register your child, please sign up online using the form below.

Lacrosse Clinics

We were lucky enough to apply and receive a Sporting Schools grant for Term 1 2023. Lacrosse SA will be coming out to deliver in school clinics (in class time) to our year 3-6 students (Redgum 1, 2, 3 and 4). This is a wonderful opportunity and should spark some interest in the sport leading up to the upcoming Lacrosse SAPSASA carnival in week 6 of this term! We also receive a Lacrosse kit for use in our PE lessons.

SALSPAC Leaders

Congratulations to our 2023 SALSPAC Leaders. SALSPAC leaders will be meeting with Miss Dickie every fortnight on a Thursday lunch time to take on a variety of roles and responsibilities. The SALSPAC leaders will be presented with their hats and certificates at assembly this Friday.
