

Dear parents/caregivers,

Welcome back to Term 4, I hope you all had a wonderful holiday. Term 4 is the shortest school term and after this week there is seven weeks of school left for the year. As a result, planning for class structures for 2023 is well underway. As per our usual practice, confirmation of classes and teachers will be in the end of year reports which are sent home the day before school finishes on Thursday the 15<sup>th</sup> of December. We have an amazing teaching team across the school so I am sure you will be pleased with your child's teacher for 2023.

We are very excited to start Term 4 with more normality than we have had in what feels to be such a long time! We have our first Assembly with families this coming Friday with no restrictions and Sports Day in Week 6 (Friday 25<sup>th</sup> of November) More information about Sports Day will come soon.

Even though COVID restrictions have almost disappeared, the Department still requires us to notify them of any COVID cases. The Department are also advising that any student or staff member who tests positive should remain home for 5 days to avoid spreading it further. We have been beyond grateful to our community for their support with all things COVID this year. It's been a tough journey.

Miss Danielle Babidge has her last day with us this Thursday as she heads off for maternity leave. Danielle has given our students some wonderful opportunities this year in Science. We welcome Ms Julia Brewer who will step into the Science role from Week 3.

Finally, congratulations to Miss Emma Thompson who got married at the end of last Term and who returned to us as Mrs Pertini. We also congratulate Miss Shaylee Torkington who gets married this Friday and will return next week as Mrs Will!

Regards,

Shane Cowey

Governing Council  
4pm

**Friday 11<sup>th</sup>**  
Remembrance Day  
Assembly R/1

**Friday 25<sup>th</sup>**  
Sports Day

# Parent Information

Dear Families,

The Department for Education has outlined a process for schools to determine Material and Services charges for 2023 as per section 129 of the Education and Children’s Services Act 2019.

At Salisbury Park Primary School we strive to provide students with all the required essentials to ensure they have the best education while keeping expenses to parents at a minimum.

Approval for the below “Notice” has been given by the Department for Education and we now wish to inform the school community of the Governing Council meeting in which the charge is to be formally approved.

The Governing Council Meeting will be held in the staffroom on Thursday 10<sup>th</sup> November. You are invited to attend between 4.00 and 4.30 pm where parents will have the opportunity to express their views. If you are unable to attend this meeting you can express your views in writing to the Chairperson.

Regards

Shane Cowey  
Principal

Government of South Australia  
Department for Education
