

Principal Report

Dear Parents and Caregivers,

It's hard to believe that we are already three quarters of the way through the school year until we look back and see how much we have actually done!

Term 4 is going to be packed with some really fun opportunities to finish off what in some ways has been a second challenging year of Covid. A few highlights for the term to come are: Sports Day, Year 6/7 camp, SAPOL Cyber safety talks, Year 3 to 5 Surf Ed and of course the Year 6/7 Graduation at the Shedley Theatre in Elizabeth.

Our recent Book Week Parade was a great chance for all of the students (and staff!) to dress up and have some fun. It was however disappointing to not be able to share this celebration with parents onsite, SA Health and Department for Education guidelines have definitely changed many things for us as a school. We hope you enjoyed the photos that class teachers uploaded to SeeSaw.

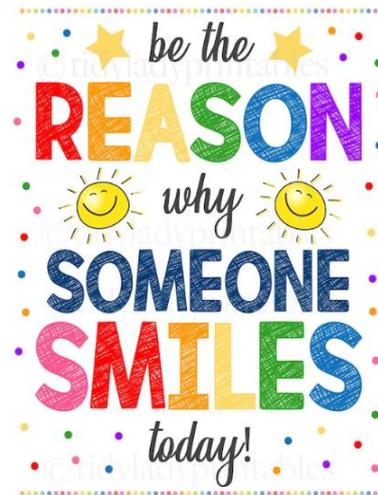

As mentioned before, Sports Day this year will be going ahead as scheduled for Friday week 5, the 12th of November. We are holding off on making a decision about whether this is a student only event or not. We are waiting on SA Government's advice for Term 4 and restrictions easing, as our preferred option is to have parents be a part of this great community event. We will update you early in Term 4.

For parents of students in Years 3, 5 and 7, NAPLAN results will be coming home very shortly. We are always very proud of the work our students do every day across many areas both socially and academically. NAPLAN is only a snapshot of one day however it can be a great tool for us as a school to continue to support students and improve learning in Writing, Reading, Maths and Spelling & Grammar.

I would like to congratulate James De Palma who has won a Leadership position at South Downs Primary School in the Disability Unit beginning Term 4. Shaylee Torkington who works backfilling Jane Maidment in Jacaranda 2 will take over Jacaranda 1 for the remainder of the year.

Wishing everyone a happy and safe Term 3 holidays, see you all in Term 4. Don't forget the early end of term dismissal at 1:55 p.m. Friday of next week.

Take care
Shane

COMMUNICATION

We recognise that Covid restrictions have made it difficult to have impromptu conversations and check-ins with classroom teachers.

We would like to remind you that you can request to speak to your child's teacher about their learning or their social/emotional welfare at any time during the school year, not just during parent/teacher interviews.

We know that many parents keep in touch with teachers through Seesaw however we understand the power of having a real conversation.

If there is anything you would like to discuss with a teacher, please feel welcome to organise a time with them through Seesaw to have a phone conversation (again due to continuing Covid restrictions).

FATHER'S DAY STALL

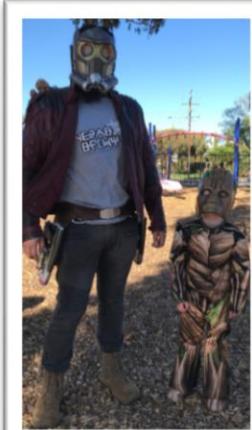

Our annual Father's Day Stall was once again a huge success. We raised \$239.64 for our school. Thank you to all of our families for their ongoing support.

PARENTS OF YEAR 6 & 7 STUDENTS

Enrolment packs have now been distributed to all year 6 and 7 students. Thank you to those families who have already returned their enrolment form.

It is important that you complete the 2022 enrolment form by week 10 of term 3. Secondary schools rely on this information to help them with timetabling, classroom spaces, student resources and teacher allocation. If you cannot find your enrolment pack email and/or have not received a hardcopy, please contact us ASAP so we can send you another enrolment form.

The poster features a background image of a natural outdoor learning area with trees and a path. At the top left is the Government of South Australia Department for Education logo.
