

Dear Parents/Caregivers,

Welcome back to all students and their families. It's great to see all our students excited to be back and looking forward to another busy term. In particular, a special welcome to our new students and their families. We hope your time with us is both enjoyable and rewarding.

Thank you for supporting our Mother's Day Stall this week. A special THANKS goes to our SSOs for running the stall and helping students choose some lovely gifts for their Mum, Grandmother/Nan or other significant person in their lives.

A campaign that builds awareness about the importance of mobile phone bans in high schools was launched by the SA Government in March of this year.

The awareness campaign, suggested by the South Australian Secondary Principals' Association (SASPA), will see advertising run across a range of mediums throughout the year, and will highlight the value of phones being switched off while school is underway. It will also feature a dedicated website, phonesoff.sa.gov.au, to offer more information about the policy and answer any frequently asked questions.

Research shows that technology and social media can have detrimental impacts on developing minds and identifies strong correlations between extensive use of technology and increased depression and anxiety.

Parents, grandparents, caregivers and other family members are encouraged to have conversations with their children about the detrimental impact mobile phones are having on their learning and socialisation, and why the government is taking this action.

The policy requiring that students' mobile phones be "off and away" at school will come into effect in **all public schools** from the start of Term 3. More information will be sent home regarding this later this Term.

Regards,

Shane

ENVIRONMENTAL CLUB

GREEN ADELAIDE

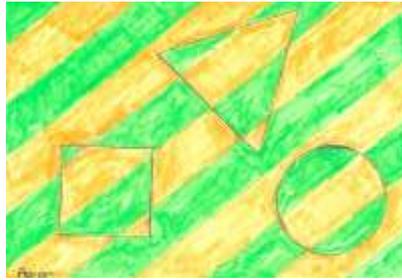

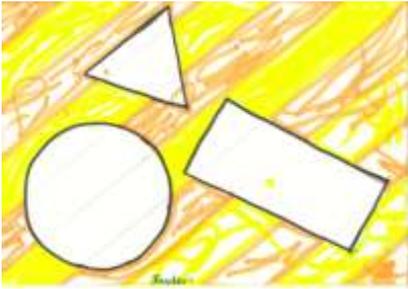

Our Environmental Club hard at work with Groundsman Terry planting and adding plant protectors to our garden. These were kindly donated to us by the Adelaide Sustainable Schools Program.

Our Mother's Day stall was once again a huge success.

We hope all of our Mums had a wonderful day.

A reminder that even though winter is approaching, our hat policy still requires all students to wear hats during outside play. Replacement hats can be purchased from the front office for \$10.00
