

Dear Parents/Caregivers

It's hard to believe we are already in Week 3 of the Term!

We have lots of things happening around the school this Term. On Thursday and Friday four of our Aboriginal learners have been invited to a STEM congress at the Convention Centre along with 700 other students across the state. Next week building works starts on our 4th disability classroom (Jacaranda 4) upgrading the current classroom to meet the needs of our students. Miss Neilson is relocating the class to the Engine Room during this time. Next week we also have an I.T. company upgrading our Wi-Fi network and our I.T. infrastructure to give us the most up-to-date system for our staff and students. It will be a disruptive week with a few network outages here and there but it will be worth it in the long run. We also have our middle primary swimming program running! What a crazy week it will be!

This Term all of our classes are having a focus on 'RUOK?' leading up to RUOK? Day on Thursday the 14th of September. R U OK? Day is our national day of action dedicated to reminding everyone that every day is the day to ask , 'are you OK?' and support those struggling with life's ups and downs. The program will help students learn how they can support each other and be good friends. On the 14th of September we encourage everyone to wear **yellow**!

At last we have secured the services of a new lunch order provider which will begin next Wednesday (16/8) and will operate 3 days a week (Wednesday to Friday). Further information will be provided by the end of the week!

Take care

Shane

Important Dates

AUGUST

Thursday 10th

Girls Soccer/
Boys Football

SEPTEMBER

Friday 1st
Assembly – W01 –
9am

Friday 8th
School Closure
SHOW DAY

Walk a mile in my Boots

Redgum 2 are dedicating time each day to walk at least 75 km as a class during week 3 to raise awareness and funds for the Hutt Street Centre who hope to end homelessness. If you are able, please donate any amount to help us reach our goal of \$250.00 through our link:

<https://fundraise.huttstcentre.org.au/fundraisers/madeleineantrobis>

On Friday of week 3 we will invite all classes to join us complete our final mile.

Thank you from all of us in Redgum 2!

MARINE DISCOVERY CENTRE

On Wednesday 28th June, students from Redgum 2 and Banksia 3 travelled to the Marine Discovery Centre. Upon arrival students were immersed into a world of marine life through aquariums and interactive activities.

Students walked down to the beach and completed a beachcombing exercise where they looked for shells, plants and animals that the tide had left. We even found a starfish!

After lunch, students explored the Marine Discovery Centre and engaged with the Beach Discovery Room, Human Impact Education Room, The Wodli (Kaurua Learning Station) and the aquariums.

All students had a fantastic time and we learnt a lot about sustainability, how to care for our beaches and keep our marine life safe.
